FOR RESEARCH

*"I want to let you know how helpful **Research Connections** is. I've used it consistently to find articles and citations for the research I'm doing for a book on family, friend and neighbor child care as well as other work on early childhood issues."*

*Toni Porter
Institute for a Child Care Continuum
Bank Street College of Education*

- Search and download the full-text for thousands of resources
- Find citations for peer reviewed journal articles
- Download analysis-ready data, some never before publicly available
- Access instruments and measures used for data collection

FOR POLICY

"I can easily locate research on any issue—including hot topics such as quality, readiness, professional development—that policy-makers want to know. The ability to access data and analyze it with your software is a gift to those of us in the field who have few resources."

*Anita Sullivan
Early Childhood Specialist
Wyoming Department of Education*

- Access key findings and summaries of original research
- Analyze data online and build customized tables on state policies
- Find guides for evaluating the quality of research
- Search for state-specific research
- Connect to federally funded research

FOR EDUCATION

*"**Research Connections** has the latest research in the field, and is so easy to navigate. I would highly recommend it to any early childhood faculty member who will have students doing online research."*

*Richard Fiene, Ph.D.
Associate Professor/Senior Research Associate
Prevention Research Center for the Promotion of Human Development
The Pennsylvania State University*

- Learn about research methods
- Find major research studies and literature reviews
- Download adaptable teaching modules for undergraduate courses
- Answer research questions using the online data analysis tool
- Access bibliographies on key topics
