By Family Service Worker (FSW) we mean someone who helps families identify their goals for themselves and their child; connect families to resources and services that support the family and the child; and help with enrollment, screening, and referrals. FSW are also known by many different names and titles; some examples include Family Services Staff, Family Advocates, Home Visitors, and Family Services Coordinator. They are often, but not, always someone different than your child's teacher. The term Family Services Staff is used in all materials that relate to this measure.
